Reports from the Administrator and Mayor:

A. Administrator

Phillip Mishoe gave an update on Central Concrete and Plaster abatement was complete. We will be moving forward taking down the old office building. Phillip Mishoe said by the next meeting we will need to discuss what they (Council) wanted to see go there.

Phillip Mishoe requested a head count for the PCMA on October 23rd at 7:00pm.

Phillip Mishoe asked Chief Justice to come up. He wanted to show council the computer that we received from government surplus. Chief Justice said we had become members years ago. She said they had been looking for tough books for the patrol cars. Karen Buckley found these online and we thought we would have to have them cleaned and add a hard drive plus other features we needed for the system. Chief Justice said that we received 9 tough books, brand new with everything. If we had purchased these it would have been \$32,800. She said that all we had to pay was \$549 for shipping. Now all the patrol cars are equipped, and everything can be done from the car. Everything the Police Department does now is mobile.

Mayor Martin read the Resolution #10-09-17 AED

Doug Barry made the motion to adopt Resolution #10-09-17 AED; seconded by Paige Bowers. Chief Justice wanted to thank the rotary club for providing 8 additional AED for the Town of Central. She said they were planning on putting one in the lobby of Town Hall and the others would be placed in the cars. The vote was unanimous.

B. Mayor Report
None

With no objections, Mayor Martin adjourned the meeting.

Respectfully submitted,

Susan A. Brewer, CMC
Town Clerk
